

Pale Ward Font Licence

AGREEMENT FOR OSSIVIGIL ANATOMICAL / VERSION 1.000 / 2026

01 AGREEMENT

This Font Licence Agreement (the "Agreement") is between Pale Ward ("we", "us") and the person or organisation that purchased the licence ("you"). By downloading, installing or using the Font Software you accept this Agreement. If you do not accept it, do not install or use the Font Software and contact us for a refund within 14 days of purchase.

02 DEFINITIONS

"Font Software" means the font files, in any format, supplied by us, together with any updates and accompanying documentation. "Licence Order" means the order confirmation or invoice stating the licence types and limits you purchased. "User" means one individual person. "Device" means one computer or workstation. "Client" means a third party for whom you produce work.

03 OWNERSHIP

The Font Software is licensed, not sold. We retain all title, copyright, trademark and other intellectual-property rights in it, including its design, outlines, names and code. Nothing in this Agreement transfers ownership to you.

04 DESKTOP LICENCE

A Desktop licence lets you install the Font Software on Devices used by the number of Users stated in your Licence Order, and use it to create static output: printed matter, images, video, logos, signage, merchandise and documents. Output created while the licence was valid may be used indefinitely. Wordmarks and logos may be drawn from the Font Software; the resulting artwork is yours, the Font Software remains ours.

05 WEB LICENCE

A Web licence lets you embed the WOFF2 files on the websites and domains stated in your Licence Order, through CSS @font-face, up to the stated monthly page views. Font files must be served from your own servers or your hosting provider, and reasonable steps must be taken to prevent them being downloaded for other use.

06 APP, BROADCAST AND OTHER USES

Embedding the Font Software in an app, game, e-book, software product, digital signage system, broadcast graphics package or any product that allows end users to type with or modify the font requires a separate licence. Contact us before such use.

07 DOCUMENTS

You may embed the Font Software in PDF and similar documents only as a subset and only to the extent permitted by the embedding flags in the files, so that recipients can view, print and edit the text but cannot extract or install the font.

08 CLIENTS AND SERVICE PROVIDERS

You may send the Font Software to a printer or service provider only so they can produce your work, and only if they hold a licence or delete the files when the job is complete. A Client who wishes to use the Font Software themselves must buy their own licence.

09 RESTRICTIONS

You may not: share, sell, sublicense, rent, lend or otherwise distribute the Font Software or make it available to others, including through shared drives or public repositories; modify, adapt, translate, rename, decompile or convert the font files, or create derivative fonts from them; use the Font Software, its outlines or any output whose purpose is to reproduce it to train, test or improve any machine-learning or generative system; or remove copyright, trademark or licence information from the files.

10 UPDATES AND COPIES

You may make one backup copy. Updates supplied by us are governed by this Agreement. Licences are personal to the purchaser and may be transferred only with our written consent.

11 TERMINATION

This Agreement ends automatically if you breach it. On termination you must stop using and delete all copies of the Font Software. Sections on ownership, restrictions and liability survive termination.

12 WARRANTY

The Font Software is supplied "as is". To the extent permitted by law we give no warranty that it is error-free or suitable for a particular purpose. If a file is defective we will, at our option, replace it or refund the licence fee.

13 LIABILITY

To the extent permitted by law, our total liability under this Agreement is limited to the amount you paid for the licence, and we are not liable for indirect or consequential loss, lost profits or lost data. Nothing limits liability that cannot be limited by law.

14 GENERAL

This Agreement is governed by the laws of [JURISDICTION]. It is the entire agreement between you and us about the Font Software. If any part is unenforceable, the rest remains in force. Questions: studio@paleward.com.
